

It is an honor for the family of "Hotel Beachscape Cancun" professionals, to open its doors soon.

We are preparing for the new date. We are happy and renewed to continue being your host. Committed to meet and exceed your expectations, providing security, comfort and a lot of pleasure, creating the best unforgettable experience.

Our concept of hotel, offers advantages and security to all the client who stays with us.

Nowadays, having open spaces in corridors and areas of the area is very important, our distribution of 5 buildings of only 3 and 4 floors allows it.

All rooms have a terrace. Its gardens decorate the property, and one of the best beaches in Cancun with its turquoise sea, make this place a paradise.

At Beachscape, the safety, health and comfort of our guests and team members has always been our top priority. The cleaning approach we carry out in public areas, rooms, restaurants, gym and public spaces is carried out with high standards and protocols for cleaning and disinfection.

1. Protocols - We are supported and directed by the hygiene and safety experience of the Cristal company.
2. Procedures - Under the highest standards, cleaning and disinfection procedures are carried out, supported by ongoing training for staff.
3. Certification - We will be prepared to obtain health and safety certificates locally and internationally.

Our main areas with protocols and procedures are:

- Rooms
- Food and drinks
- Public áreas
- Reception
- Collaborator Areas

Our commitment to excellence, respect and integrity that characterize us and are a fundamental part of our values, keeps us always optimistic to provide you with the best care and security that you deserve.

When the possibility of travel exists, Hotel Beachscape will be within your options as a comfortable, quiet and safe property.

We hope to see you soon ...
